## Council Racing 2011-2012

### **Council Racing** (8 to 18 years) \$400 before 12/1/10

The Buffalo Ski Club Racing Program competes throughout Western New York. Prior experience is not required and focus is on development of general skiing ability, as well as specific racing techniques. Staffed with USSCA-certified coaches, the BSC Council Racing Program is a fun and safe way to reach your full ski potential, while skiing at other resorts in both Western and Central New York.

Council racing is organized around age brackets and competitions occur at various resorts, usually on Sundays. All events are USSA & NYSSRA sanctioned and our older racers (ages 15 & up) can compete at any USSA-sanctioned event, building points to gain spots on various development teams, including the US Ski Team!

**Training Wednesday 6pm-8pm Saturday 9am-230pm**

**\$400 before 12/1/11 (\$480 after 12/1/11)**
